

THE RADCLIFFE SCHOOL
INSPIRE AND ACHIEVE

Home School Agreement

Headteacher: P Lawson Review frequency: Five yearly

Chair of Governors: P Critchley Date reviewed: September 2022

The Radcliffe School is proud to work in partnership with our students, parents and carers to support the learning of our students. We believe each of our students, staff and parents have a **personal responsibility** to help our students grow in a safe and secure environment and to become positive, responsible and increasingly independent members of the school community.

Our vision, culture and expectations for our Personal Responsibility Agreement includes every member of our school community and is based on **C.L.E.A.R** values we follow. These **C.L.E.A.R** values are designed to support our students establish successful behaviours for learning that help them make a smoother transition into their next steps and into adulthood.

Every individual in our school community should conduct and express themselves in a way that is respectful to all individuals. Be role models for orderly conduct in the classroom, corridors, social areas and in the local community. Good manners, and appropriate, professional language will be expected to be used by everyone in our community at all times, including social times. Our uniform reflects how we want to present ourselves to others and through it represent pride in our school and our community. Students should speak to a member of staff if they are aware of unacceptable behaviour, especially bullying type behaviour or if the safety or welfare of a pupil is at risk.

We encourage every member of our school community to take responsibility of their own learning to acquire new understanding, knowledge and skills. To make the most of every learning opportunity, listen to advice and guidance to develop successful learning behaviours. In every aspect of school life, students are encouraged to set high personal goals and with effort and commitment students should try to achieve the success and rewards they deserve.

Every member of our school community must act responsibly and take pride in our school and community environment. We should all take personal responsibility to ensure the learning environment remains orderly and clean. Always endeavour to represent the school, your Tutor Group and House at its best at all times.

We encourage every member of our school community to develop self-awareness, knowing and demonstrating their own behaviours for successful learning. All staff and students will embrace and respect the diversity and beliefs of all individuals within the school and wider community. We value our diversity and are determined to ensure that every member of the school community is treated with respect. All individuals of our school community to be aware of, embrace and celebrate our diversity.

Students, staff, parents and carers to develop and promote positive relationships with all stakeholders within the Radcliffe community. All students to develop positive relationships to empower them to work collaboratively, be comfortable sharing opinions and solve problems. Treat every individual and groups, they encounter with decency, good manners and tolerance. Listen to and respect others opinions and beliefs. We value each other and encourage every member of the school community to act with integrity, reliability and fairness. We strive for all our students to develop skills to recognise and maintain positive relationships that will support them into adulthood.

It is our belief that every member of the school community has a personal responsibility for maintaining these core values to support our students to achieve the best outcomes both personally and academically.

Home – School Agreement: Learning Matters

The Radcliffe School's C.L.E.A.R values underpin how students, parents/carers and staff work together to support students to achieve their best, as well as explaining how parents/carers can effectively work with the school.

The Radcliffe School values its partnership with parents/carers. We ask parents/carers to work with us to ensure that students are able to achieve their full potential at school. A successful partnership will ensure that students are happy, safe and successful and we hope that you will feel able to support this agreement.

The Radcliffe School and its staff will do their best to:

- Model and demonstrate the school's C.L.E.A.R values.
- Value each student as an individual
- Provide a safe, disciplined and caring learning environment in which all students can succeed.
- Offer varied and challenging programmes of study through which all students have the opportunity to achieve their full potential.
- Provide a range of extra-curricular opportunities, which allows all students to participate fully outside the classroom.
- Offer parents/carers and students the opportunity to have their view or concerns heard and acknowledged promptly.
- Provide regular information regarding student achievement, progress, attendance and behaviour.
- Communicate any areas of concern at an early stage and work positively with parents/carers and students to resolve them.
- Help the students in our care to develop into responsible, respectful and confident young adults who are fully able to take their place in society.
