

The German Trip - Aachen

The French Trip - Lille

We love a good news story and here is a beauty. Winnie in Year 7 has been awarded a Blue Peter badge!! Winnie entered a Blue Peter, Doctor Who Art Competition and her incredible design was placed in the top 500 nationally. Huge congratulations Winnie, we are super proud of you.

We are really proud to serve our community, so when we are invited to participate in local events we will always try our best to do so. Today is no exception as we show off our 4th December, Community Advent Window. Huge thanks to our Art department and Year 13 students

Tonight we enjoyed welcoming Year 11 students from a wide variety of schools, including our own, to our Sixth Form evening. The evening was a huge success and we were really proud of our Sixth Form Student Leadership Team for their presentations to our guests.

Huge congratulations to our Year 10 girls Football Team who came second in their football tournament tonight! They played superbly throughout the entire tournament, and performed admirably in the final, ultimately losing to Brooklands. Huge congratulations to the whole team, we are super proud of you all. Players player - Charlotte

Twenty seven Year 9 students visited Santander in Milton Keynes to take part in a LEAD curriculum day with senior leaders from within Santander UK. The students took part in a number of projects and competitions, designed to develop their teamwork and leadership skills throughout the day. They will be part of a series of events throughout the year supporting the development of these key skills.

This Wednesday (13th) we are hosting a Parent iPad meeting where we invite you to come in and learn about how we encourage our students to use their devices safely, both in and outside of school. We will also be running a session on Home Learning and how you can support your children with their homework digitally.

As we near the end of term our cheerleading troupe were full of festive cheer today!

Our year 10 Food Preparation and Nutrition students really know their seafood - last week they prepared and cooked rope-grown mussels from @Offshoreshellfish! They cooked the mussels three different ways: Thai green curry, Italian tomato and garlic, and French marinier.

Thanks to @foodteacherscentreuk @fishmongerscom [#FishHeroes](#)

Today we are delighted to have been able to email all of our parents/ carers with details of our Spring Term Extra Curricular Club programme. New activities include Radcliffe Live Lounge (Music), Volleyball (PE), 3D Printing (DT), Book Club (English), Crest Award (Science), as well as many returning favourites that combine to complete our total of 47 weekly clubs.

Stars of the Term

Christmas lunch day today !!

Be the Change. Speak Up!

Ensuring our students have a voice that is listened to and acted upon is important to us.

'Student Voice' was an important contributing factor to the building of our new toilet block, refueling huts and Langaage department refurbishments.

The student body also identified additional recreation time, play equipment and an extension of extra curricular clubs which we have also actioned.
