

Today we were delighted to welcome our new Year 7 students into school and each and everyone of them has made a fantastic start. We were also excited to open three of our building projects which have been completed over the summer term. Here's a sneaky peek at the new toilet block, refuelling huts for break and lunch times and completely refurbished Languages block that boosts a brand new classroom and interactive TV screens throughout every room.

As you know we enjoy celebrating all of our students achievements in and outside of school. Today we are delighted to be able to share an update on the incredibly talented Louis Gulliver. Louis is a sixth form student and now plays cricket for Stony Men's first team, Under 19's and captains the Under 17's as well as playing for Bucks U18's. This summer has played for the Bucks Men's 2nd team (something Louis was super chuffed to achieve) and for whom he took 6 wickets in 3 games. On the back of all this he has been asked to have a net with the U19's England squad. Huge congratulations Louis, we are all super proud of you

Welcome to our Head Student Team for 2023.

We are delighted announce Phase 3 of our Digital Strategy today.

All Year 10 and Year 12 students have been invited to register for our iPads scheme. It is our intention that by November all students in Years 8-13 will have their own iPad.

Once registered every student is given personalised support as soon as they receive their device in regards to setting it up, familiarising themselves with its basic functions and also on how to keep themselves safe.

At The Radcliffe School we strongly believe in developing the whole person. Whether it is on stage, in the music studio, on the sports field, in a science lab, on expedition, in a gallery, or out in the community –our aim is for every Radcliffe School student to ‘get involved’ in activities outside of the classroom. We are delighted to be able to advertise our first phase of extra curricular clubs for this half term. The menu of activities provides a real breadth from across the entire curriculum and our intent is to provide something for everyone. After half term we will be adding more activities that include Boxing, Ninja and a musical Live Lounge and we will also be introducing a new registration system for our clubs.

mk CAN!

A **WORLD RECORD** attempt by Milton Keynes

MR DART NEEDS YOUR HELP

We need as many cans of tinned food as possible.
Tutors: Send ONE student to reception with donations.

When is it: MONDAY 16th OCTOBER

OUR DEADLINE: WED 11th OCT

Where: Campbell Park

GUINNESS WORLD RECORDS

The FOOD BANK
sowing the seeds of love

The FoodBank have organised an initiative entitled MKCan which encourages residents to donate tins of food which will then all be lined up next to each other around Campbell Park in a world record attempt.

Tonight we are delighted to celebrate the success of another of our talented students.

Emily (Year 11) has progressed into the top 100 U16 Tennis players and inside the top 250 open female ranking.

She has also over the summer secured the runner up position in the open female County Cup and won the Open Doubles, with her long term doubles partner.

Huge congratulations Emily, we are all very proud of you.

Tomorrow we are excited to be taking all of our Year 11 Drama and Year 13 Theatre Studies students to MK Theatre to watch the incredible Life of Pi.

After conquering both the West End and Broadway, and also winning 5 Olivier Awards, it should provide fantastic evidence for all our students Live Theatre exam component

Just a quick reminder to parents with children attending the show; please ensure they are dropped at MK Theatre by 7.00pm and collected by 9.45pm.

Thank you for all your support

This week the 'Radcliffe Year 6 Roadshow' has visited Greenleys, Bushfield and both St Mary and St Giles sites.

Mrs Lawson and other members of the senior leadership team have been delighted to talk to all of the year 6 students and answer any questions they posed about moving to Secondary School.
